ABOUT FF CORSE

Based at Silverstone, FF Corse was established in 2009 as a track-driving academy and race team operation for Ferrari owners & drivers.

Housing a unique stable of Ferrari GT race cars within the heart of British motorsport, the operation's location is a dedicated motorsport workshop and storage facility.

FF Corse provides the management, servicing, preparation and storage of the largest client owned fleet of Ferrari Challenge cars in the world.

We specialise in providing tailored packages for all ranges of drivers - from the absolute beginner to the experienced international racer. Currently we manage around 50 Challenge & GT cars from our Silverstone-based facility

FF CORSE RACING

In 12 years of competition FF Corse drivers have achieved **243 race wins**, including the Ferrari Challenge World Finali in 2019 and winning **13 Championships**.
